

# TRY IT

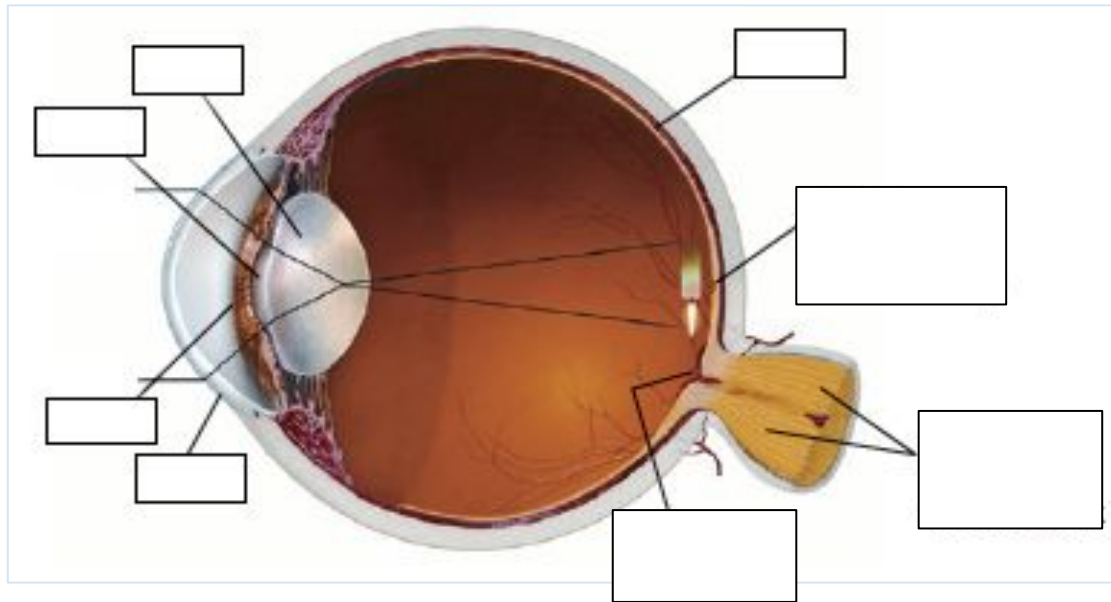

Can you name the structures of the eye?

Try to name the structures of the eye you have learned in the order which light passes through them.

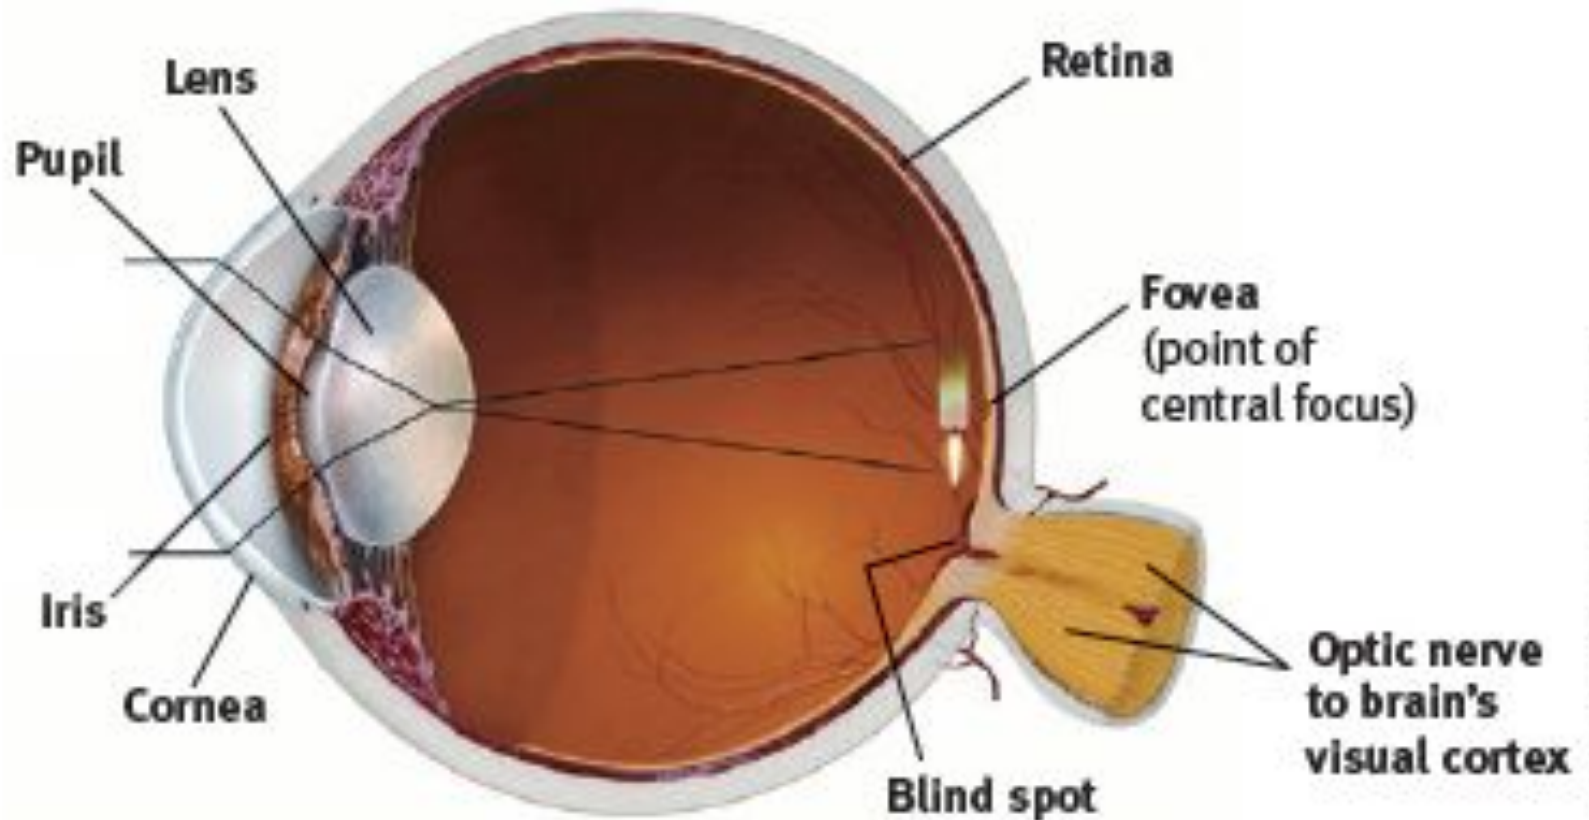

# TRY IT

Can you name the structures of the eye?

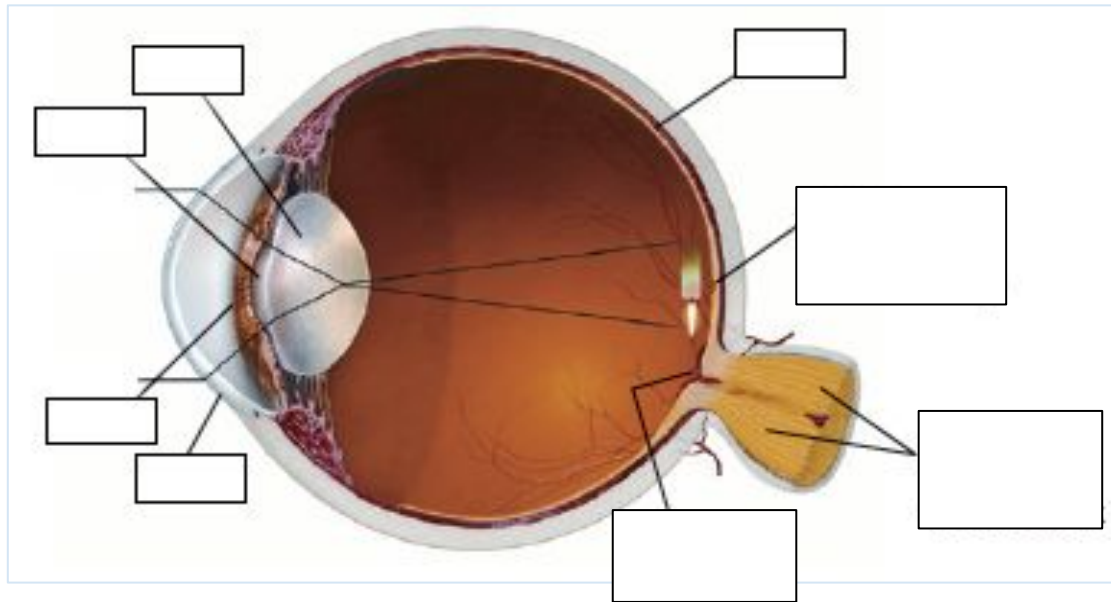

Go to GC or use the worksheet provided to complete the diagram of the eye structures...

# Answers: Structures of the eye

# TRY IT

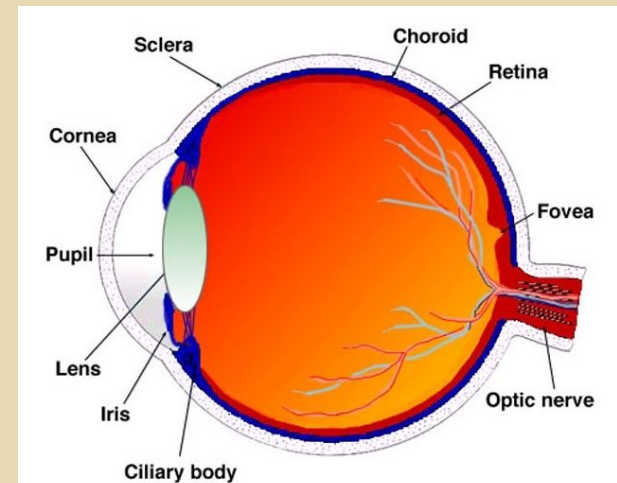

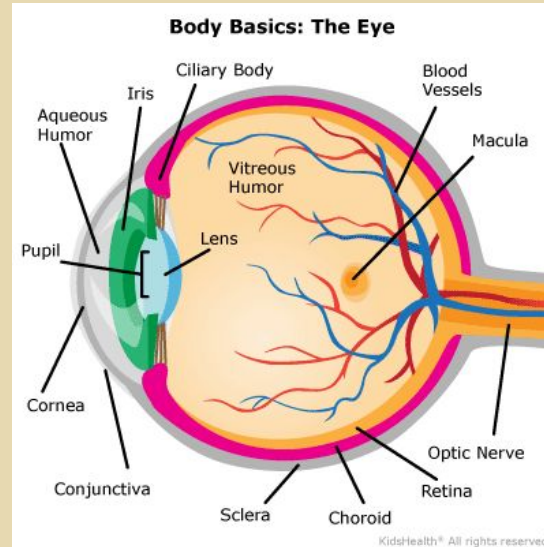

Use your ping pong ball to draw each part of the eye...be CREATIVE!

# ACTIVITY: Create an Eyeball using a ping pong ball!

Draw the:

1. lens
2. retina
3. optic nerve
4. fovea
5. "X" for blind spot
6. blood vessels

# **ACTIVITY: Complete eyeball...**

**Once you are done with your eyeball...**

- 1. Check to make sure you have the 6 required items**
- 2. Bring your eyeball to teacher and verbally describe how light enters eye, reflects and how info is transferred to brain using the parts on your ping pong ball.**

# ACTIVITY: Complete eyeball...
